

# **National Honor Society**

Students with a cumulative GPA of a 3.5 or higher are invited to apply for National Honor Society in March of their sophomore or junior year. In addition to the GPA requirement, students must also meet leadership, character and community service requirements to be eligible. Applications are reviewed by a committee of staff members as well as the principal. Students are notified in late spring of their acceptance to NHS for the following school year. Induction is held once a year during the month of May.

## **Specific Requirements for NHS Application**
