**Character Trait for June: Sharpen the Saw**

**As we move into June and the beautiful spring weather, remember to "Sharpen the Saw," which means to take care of yourself. Here is one of the paintings from Rosedale. How is she taking care of herself?**

June is also a time to remember ALL the Character Traits we studied this year: Be Safe, Be Responsible, Be Respectful, Empathy, Confidence, Reflection, Integrity, Mindfulness, and Grit. Our goal is to be a good person, and living these Character Traits will lead us to that goal.
