## Character Traits:

### Character Trait for June: Sharpen the Saw

As we move into June and the beautiful spring weather, remember to "Sharpen the Saw," which means to take care of yourself. Here is one of the paintings from Rosedale. How is she taking care of herself?

June is also a time to remember ALL the Character Traits we studied this year: Be Safe, Be Responsible, Be Respectful, Empathy, Confidence, Reflection, Integrity, Mindfulness, and Grit. Our goal is to be a good person, and living these Character Traits will lead us to that goal.

## Library:

Practice giving credit to an author. Find any book in your house and look for the following information: author's last name, author's first name, the title of the book, the name of the publishing company (don't forget to look at the bottom of the title page or on the copyright page for this) and the year the book was published (look on the copyright page). Were you able to find all five things? Good job!
