ENTERING WEBSTER

To enter our drop off zone you **MUST** travel south on Hubbard and turn right onto Pembroke. Do not block driveways or try to take cuts by entering a different way. Everyone waits in a peaceful line.

Wait at corner of Hubbard / Pembroke to turn left into the right lane of the parking lot, being mindful to not block traffic on Pembroke. Enter Parent Drop Off / Pick Up Lane on the right.

Once you enter the drop off zone at the southern lot, students **should be prepared, masks on and materials ready to exit the right side of your car** in the unloading zone. **No driver should ever need to get out of the car.**

Staff will unload cars along the fence line posted as **NO PARKING**. Family 1 & 2 students enter the school through Door 5 and Family 3 students enter through Door 4.

PICK UP – Be sure your Webster Car Tag is clearly displayed

You will enter Webster using the same procedure as above. You will pull to the South Lot where students will be lined up by family number ready to enter your car. If your child is going home with a different family, be sure they know what family number they should listen for that day.

LEAVING WEBSTER - Do not leave the Parent Drop Off / Pick Up Lane early. Follow the car in front of you and wait until directed forward by staff.

South lot cars should **yield to traffic** leaving the front loop Watch for pedestrians and stop at crosswalk. When leaving, go north on Hubbard or turn right onto Bretton. **Do not turn left onto Pembroke**

When everyone does their part, this works. We will count on you to do your part.
