

Good Afternoon LPS Families and Staff,

We wanted to update you on the LPS Return to Learn plans as they relate to the Board of Education's review, discussion and voting plans.

Tomorrow evening, the Board of Education will continue its discussion on the LPS Return to Learn plans. The Monday, August 3 meeting will begin at 6 p.m. and will be live streamed on YouTube via the following link: [Monday, Aug. 3 BOE Meeting](#). The virtual meeting will also be broadcast on the district's cable TV channel. Additional information can be found on the [Board Meeting Information webpage](#).

Our Board and our district administrative team are very appreciative of the feedback and communications from parents and staff members, including our surveys, and would like time to thoughtfully consider that input. Therefore, a vote will not take place on August 3, as previously anticipated in order to allow that additional time to thoroughly review and discuss our options for moving forward.

We appreciate your patience as the board and administrative team continue to thoughtfully navigate options to provide a safe and effective return to school for our students and staff.

We will share an update with you following our Board of Education meeting.

Thank you and we hope that you enjoy the remainder of the weekend.

Andrea Oquist
Superintendent
