

The courses listed below are the only courses available through the Livonia Virtual program. Livonia Career Technical Center (LCTC) courses will not be offered virtually. Students who wish to take LCTC courses are eligible to elect a "hybrid" model where they attend LCTC courses in the building and take the rest of their courses through the Livonia Virtual program. Students electing the "hybrid" model for their LCTC courses will need to provide their own transportation. LCTC students are the only students eligible for a "hybrid" model. Additional information is available in the [Livonia Virtual FAQ](#).
