

Open House for Childcare/Preschool-POTENTIAL NEW FAMILIES FOR THE FALL

On February 27th, there will be a brief open house for parents/guardians considering registering for childcare and/or preschool in the fall. Families will learn a little about the programs, see the classrooms, and tour the school. No registration is necessary to attend. It is important to note that these programs will be offered at our new building next school year, not at our current location. Our programs will be housed at *18000 Newburgh Rd* for the 24-25 school year.

Open House will take place at our current location, Jackson Center, 32025 Lyndon, Livonia, MI 48154
